We aim to create a city where everyone can live comfortably and shine by participating in society. Our citizens are working together with the government to create a city that is worthy of being the capital of Fukushima Prefecture, where all people can live together in harmony, always challenging each other to improve.

Colorful Umbrella Skies representing diversity are held at various locations in the city to create opportunities for people to learn about being a harmonious society.

② 地域主導の農を生かしたまちづくりイベントなど、地域ごとの主体的な取り組みにかかる費用を支援しています。

We support the costs of community-led local development events that make use of agriculture, and other proactive initiatives by the local community.

③ 当事者を含むバリアフリー推進パートナーなどと市内を点検し、問題のある場所を改修

We inspect the city with barrier-free development partners and others, including the parties concerned, and renovate problematic areas.

④ 啓発用冊子を小学校に配ったり、出前講座を行うなど、全ての人がお互いに理解し支えあう心のバリアフリーを推進しています。

We promote a barrier-free mindset, where all people understand and support each other, by distributing educational booklets to elementary schools, giving lectures, and so on.

⑤ 音楽やグルメなど、気軽に多文化に触れられるイベントを開催

We organize events such as musical performances and gourmet meals that allow people to experience multiculturalism in a casual environment.
